

<b>MPC</b>							
How many swimmers do you have with us?							
Ages of swimmers?							
Group Level of swimmers?							
When we are able to open do you plan to resume lessons/ practices?							
	Yes						
	No						
<b>Phase One planning will require private (1:1) instructions or Semi Private lessons within a family. Are yo</b>							
	yes, I would be will to do privates						
	no, I will wait for future phases for group lessons						
	If you selected Semi-Privates or Privates, these						
	class formats typically cost more for more individualized time with an						
	instructor. Would you prefer to:						
		30 minute lessons at a standard private costs					
		20 minute lessons at a reduced private costs					
<b>When you return to swimming, which would you prefer?</b>							
	Same Schedule						
	Willing to modify						
	Taking a break from activities right now						
<b>Would you prefer your lessons in the big pool or tank?</b>							
	Tanks						
	Big Pool						
<b>Precautions needed (please rate)</b>							
	Antimicrobial Cleaning Technology (e.g. Germshield)						
	Hourly Cleaning						
	Nightly Cleaning						
	Instructors Wearing Masks						
	Instructors only coaching out of the water						
	Limit number of people in the facility						
	Limit number of swimmers in a lane						

<b>Timing</b>							
	When would you feel most comfortable returning to practices						
	Start as soon as you can find water						
	When to Governor fully lifts the stay at home						
	When proper measures are in place for facility operations						
	Curve Flattens						
	July/ August						
	Vaccine is available						
	Increased testing						
	Not sure yet
