

TEAM						
How many swimmers do you have with us?						
Ages of swimmers?						
Group Level of swimmers?						
When we are able to open do you plan to resume lessons/ practices?						
When we return to swimming, which would you prefer?						
	Same Schedule Times					
	Modified Times					
	Taking a break from activities right now					
What time would you be most interested in having practices?						
	Morning					
	Afternoon					
	Evening					
	Weekends					
	Weekdays					
Are you willing to attend practices mid-day if offered?						
	yes, I can do this					
	no, my family would not be able to accomidate this					
Precautions needed (please rate)						
	Antimicrobial Cleaning Technology (e.g. Germshield)					
	Hourly Cleaning					
	Nightly Cleaning					
	Instructors Wearing Masks & Face Sheilds					
	Coaches only coaching out of the water					
	Limit number of people in the facility					
	Limit number of swimmers in a lane					
	What number in a lane would you feel most comfortable with					
		1				
		3				
		5				
		7				
How reasonable do you believe it is for Machine Aquatics to operate with a model where swimmers must arrive in all swim gear and leave in all swim gear?						
Restrooms would only be used for emergency purposes and not changing.						
1= unreasonable/ 10= I absolutely agree.						

Timing						
	When would you feel most comfortable returning to practices					
		Start as soon as you can find water				
		When to Governor fully lifts the stay at home				
		When proper measures are in place for safe practices				
		Curve Flattens				
		July/ August				
		Vaccine is available				
		Increased testing				
		Not sure yet				
Swim Meets						
	When would you feel comfortable returning to a meet in a modified fashion					
		Start as soon as sanctionings begin				
		When the CDC issues guidelines for larger events				
		When proper measures are in place for safe practices				
		Curve Flattens				
		Vaccine is available				
		Increased testing				
		Not sure yet
